ART EXHIBITION

Watercolors by Christa Wennisch

These paintings reflect not only realistic visions of landscapes and flowers, but emotional reactions to light and reflections in their surroundings. Ms. Wennisch has exhibited in various galleries on Long Island and in Europe. Although painting is her passion, she also works in clay, theater, and set design for plays. Look to our display case for her ceramic works.

Calling Artists, Crafters, and Collectors.

The NSPL Display Case highlights the collections and small artworks of our local residents. If you have a collection of objects, memorabilia, or small works and are interested in displaying, please contact Lorena at: programming@northshorepubliclibrary.org.
